## EPA Emissions Certification Label

### Models Affected

Models Covered
Mercury/Mariner

### Situation

An emission certification label, showing emission levels and engine specifications directly related to emissions, is placed on the engine at the time of manufacture. This label is no longer available by direct order. If a label is needed for EPA compliance, please call Mercury Marine Warranty Registration.

The diagram shows a Mercury Emission Control Information label with the following fields and callouts:

- a**: Idle speed
- b**: Engine horsepower
- c**: Timing specification
- d**: Recommended spark plug and gap
- e**: Valve clearance (if applicable)
- f**: Family number
- g**: Maximum emission output for the engine family
- h**: Piston displacement
- i**: Date of manufacture

28405
