## Removal of Manufacture Year on Serial Number Decal

### Models Affected

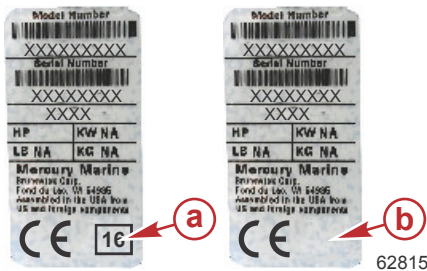

Models Covered	Serial Number Or Year
All Mercury outboard models	2017 and newer

### Scope

Worldwide

### Situation

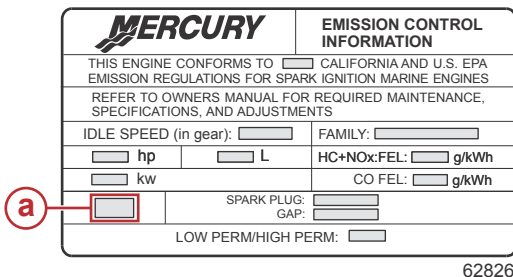

The year manufactured will no longer be printed on serial number decals that are affixed to the transom bracket, beginning with product manufactured after January 1, 2017.

#### Serial number decal

- a - Old style with year manufactured date
- b - New style without year manufactured date

The month and year manufactured will be included on the Emission Control Information label that is on the powerhead, as well as on the box matte.

#### Emission Control Information label

- a - Date of manufacture—month and year
