Custom Propeller and Lab Finishing Services From Mercury Racing

Situation

IMPORTANT: This bulletin updates and replaces Outboard Hi-Performance service bulletin 2000-9.

Many of today's performance boaters demand the ultimate from their equipment, including the propellers installed on their boat.

Mercury Racing has responded to this need by providing propeller repair, lab finishing and customizing of Mercury Racing as well as Mercury Marine stainless propellers. Mercury Racing also designs and customizes propellers that are intended for racing. These racing intent propellers are sold without warranty.

Many lab finished propellers can be ordered directly from the propeller section of the **Mercury Precision Parts Accessory Guide**. Dealers should contact the Mercury Racing propeller specialists for lab finishing of propellers not found in this accessories guide.

NOTE: *This service is not provided for aluminum propellers.*

Propellers serviced by Mercury Racing will be detailed and finished by highly skilled propeller craftsmen. With proper care, they are designed to offer maximum performance.

Custom propeller work contact information:

- Phone: 920-924-2034 or 920-924-2037
- Fax: 920-921-6533

Propellers should be shipped to:

Mercury Racing
