## Complete Foot Pedal/Cable Assemblies are No Longer Available

### Models Affected

All Foot Control models before model year 2002

### Situation

The below listed complete foot pedal/cable assemblies are no longer available (NLA).

### Correction

In order to repair foot pedal assemblies, it is necessary to order the control cable assembly and required foot pedal parts individually.

### Parts Required

#### Control Cable Assemblies Part Numbers are:

- MXP327052 – All 84" long variable speed motors
- MLP327302 – All 144" long 5 speed motors
- MAP327202 – All 144" variable speed motors
