Mercury Racing 4-Stroke Oil

Models Covered

Models Covered	Serial Number Or Year
60 Formula Race	All
350 SCi Verado	
All current production Mercury Racing sterndrive engines	
Non-current Mercury Racing sterndrive engines	

Situation

Mercury Racing 4-stroke engines have had different oils recommended for each engine model. Mercury Racing now recommends one common engine oil for all of our 4-stroke outboard and sterndrive products.

Correction

Use Mercury Racing 4-Stroke Oil for all current and non-current production Mercury Racing 4-stroke outboard, and sterndrive engines

Mercury Racing 4-Stroke Oil is the same as 25W-50 Mercury Verado Synthetic Blend Outboard Oil. Currently, both Mercury Racing 4-Stroke Oil and the 25W-50 Mercury Verado Synthetic Blend Outboard Oil are available. Eventually, the 25W-50 Mercury Verado Synthetic Blend Outboard Oil will supersede to the Mercury Racing 4-Stroke Oil, and reference to the Verado product will be deleted.

Mercury Racing 4-Stroke Oil should not be added or mixed with other existing oils in the crankcase. Drain the oil and change the filter to prevent intermixing multiple engine oils.
