Warranty Information

U.S. and Canada

© 2017 Mercury Marine

Important

Mercury Marine products are designed and manufactured to comply with our own high quality standards, applicable industry standards and regulations, and certain emissions regulations. At Mercury Marine every engine is operated and tested before it is boxed for shipment to make sure that the product is ready for use. In addition, certain Mercury Marine products are tested in a controlled and monitored environment for up to 10 hours of engine run time, in order to verify and make a record of compliance with applicable standards and regulations. All Mercury Marine product sold as new receives the applicable limited warranty coverage.

About This Manual

IMPORTANT: The warranty terms and conditions outlined in this manual apply only to new product purchased in the United States and Canada.

Your product may be covered by several different warranty policies. This manual explains each of those warranty policies and identifies the applicability of each policy to various Mercury Marine product. Each policy is described in a separate section:

1. **Warranty Coverage—Read First:** Contains warranty registration information and charts to identify which warranty policy applies to which product and the term of coverage for that policy. This section also defines diesel duty-cycle applications as they relate to warranty coverage.
2. **Mercury Marine Limited Warranty:** Defines the conditions of Mercury Marine's Limited Warranty. Terms are listed in the **Read First** section. This section also explains how to transfer warranty coverage.
3. **Limited Warranty Against Corrosion:** Defines the conditions of warranty against product corrosion. Terms are listed in the **Read First** section.
4. **U.S. Emission Control Warranty:** Explains the unique warranty coverage of emission-related components.
5. **California Emissions Limited Warranty:** Products certified for use in the state of California are covered by this policy.
6. **Zeus Drive Limited Warranty:** Owners of vessels equipped with Zeus drives should refer to this section for the details of warranty coverage as it relates to the drive system.
7. **6.7L Diesel Engine Warranty:** Owners of vessels equipped with 6.7L Diesel engines should refer to this section for the details of warranty coverage as it relates to the engine and sterndrive (if applicable).

Retain this manual with your records.

Warranty Coverage Overview

LIMITED FACTORY WARRANTY

As a world-class manufacturer of marine products, Mercury Marine knows that a great deal of its success is built upon customer satisfaction. All new Mercury outboards, sterndrives, and inboards carry an outstanding limited factory warranty. Terms of the limited factory warranty vary by product. Refer to the **Warranty Charts** for the terms for your product.

The details of the standard limited factory warranty policy are presented in **Mercury Marine Limited Warranty**.

LIMITED PROTECTION AGAINST CORROSION

All Mercury Outboards and MerCruiser sterndrives, inboards, and TowSport inboards come standard with three years of limited corrosion protection. MerCruiser SeaCore sterndrives come standard with four years of limited corrosion protection. So in even the harshest marine environment, your engine is protected.

For details, refer to **Limited Warranty Against Corrosion**.

LIMITED WARRANTY ON EMISSIONS-RELATED COMPONENTS

Most product purchased for recreational use in the U.S. receives the EPA Emissions Limited Warranty; refer to **U.S. Emission Control Warranty**. Product purchased for use in the state of California may be eligible for coverage under the **California Emissions Limited Warranty**.

INSTALLATION QUALITY CERTIFICATION

Certain boat brands, whose manufacturers have met the requirements for the Mercury Installation Quality Certification Program, carry an additional year of warranty. The program is the first of its kind in the boating industry and the only comprehensive manufacturer-installation certification system. This rigorous system identifies areas of improvement and implements resolution before the product leaves the factory.

A section of the Mercury website is designated to promote the Installation Quality Certification Program and communicate its benefits to consumers. For a current list of Mercury-powered boat brands that have earned Installation Quality Certification, visit www.mercurymarine.com/service-and-support/customer-support/warranty/.

FACTORY-BACKED COVERAGE

Mercury warranty coverage is factory-backed. Your dealer works directly with us through our local dealer or distributor. This simplifies the claim process and gets you back onto the water quicker.

1. WARRANTY COVERAGE—READ FIRST

NONDECLINING COVERAGE

Mercury warranty coverage is nondeclining. The warranty coverage is the same on the last day of your warranty as it is on the first, meaning coverage doesn't decline based on the age of your engine, or the number of hours you've put on it.

COVERAGE BEYOND THE ENGINE

This coverage may also extend to the controls and rigging components on your boat. If your builder uses genuine Mercury Precision Parts when installing the engine on your boat, the warranty coverage for those rigging components now matches the total warranty of your engine.

Warranty Charts and Registration

Use the following warranty charts to determine:

1. Which warranty statements apply to the product you own
2. The length of warranty coverage for the product you own

WARRANTY REGISTRATION—UNITED STATES AND CANADA

Outside United States and Canada, check with your local distributor.

1. You may change your address on file with Mercury Marine at any time, including at the time of a warranty claim, by calling, mailing, or faxing your name, old address, new address, and engine serial number to Mercury Marine's warranty registration department. Your dealer can also process this change of information.

Mercury Marine

Attn: Warranty Registration Department

W6250 Pioneer Road

P.O. Box 1939

Fond du Lac, WI 54936-1939

920-929-5054

Fax +1 920 907 6663

For Mercury Marine's Privacy Policy, visit www.mercurymarine.com/privacy-policy/.

NOTE: *Registration lists must be maintained by Mercury Marine and any dealer on marine products sold in the United States should a safety recall notification under the Federal Safety Act be required.*

2. To be eligible for warranty coverage, the Product must be registered with Mercury Marine. At the time of sale, the dealer should complete the warranty registration and immediately submit it to Mercury Marine via MercNET, e-mail, or mail. Upon receipt of this warranty registration, Mercury Marine will record the registration.

Warranty coverage is not effective until your Product is registered with Mercury Marine.

1. WARRANTY COVERAGE—READ FIRST

WARRANTY CHARTS

The columns in the following charts are:

- **Product** - Specific product type. If you do not see your product listed in these charts, contact your authorized Mercury dealer or visit www.mercurymarine.com for the applicable type and length of coverage.
- **Std Ltd** - Length of the standard, limited factory warranty for your product when purchased in this region. Refer to **Mercury Marine Limited Warranty**.
- **IQC** - Certain gasoline MerCruiser product qualifies for an additional one year of limited factory warranty when it is included as part of a boat/ engine package from a certified boatbuilder.
- **Corrosion** - Most recreational-use product is warranted against corrosion for three years (four years for SeaCore product). Refer to **Limited Warranty Against Corrosion**. Warranty against corrosion for commercial or government applications may vary.

Outboard and Jet Product	Pleasure Use		Commercial Use	
	Std Ltd	Corrosion	Std Ltd	Corrosion
FourStroke	3 yr	3 yr	1 yr	N/A
OptiMax	3 yr	3 yr	1 yr	N/A
OptiMax jet drives	1 yr	3 yr	1 yr	N/A

Sterndrive	1 yr	2 yr	3 yr	1 yr/500 hr	N/A
TowSport	2 yr	3 yr	3 yr	1 yr/500 hr	N/A
SeaCore	3 yr	4 yr	4 yr	1 yr/500 hr	N/A
Inboard (except Horizon)	3 yr	4 yr	3 yr	1 yr/500 hr	N/A
Horizon	3 yr	4 yr	4 yr	1 yr/500 hr	N/A

NOTE: Warranty terms for Diesel product (except 6.7L) are listed in **Diesel Duty-Cycle and Warranty**. All 6.7L warranty details are found in section 7. **6.7L Diesel Engine Warranty**.

Mercury Racing Product	Pleasure Use		Commercial Use	
	Std Ltd	Corrosion	Std Ltd	Corrosion
250 XS, 300 XS, Verado 400R	2 yr	3 yr	N/A	N/A

Government

Some product is eligible for warranty coverage when purchased for government use.

1. WARRANTY COVERAGE—READ FIRST

Product	Government Warranty	Corrosion
Outboards	3 yr	3 yr
Mercury Racing outboards	2 yr	3 yr
MerCruiser (gas) sterndrives and inboards	1 yr	3 yr
Mercury Diesel sterndrives and inboards (except 6.7L)	2 yr/1,000 hr	3 yr

Diesel Duty-Cycle and Warranty

IMPORTANT: Unless otherwise noted, all definitions listed herein apply to Tier 3 Diesel product only.

6.7L Diesel engines have their own, unique warranty policies. Refer to Section 7. 6.7L Diesel Engine Warranty.

HIGH-OUTPUT (RECREATIONAL USE)

This rating is for pleasure (noncommercial) applications.

A high-output rating applies to variable load applications where full power is limited to one hour out of every eight hours of operation. Reduced-power operation (out of every eight hours, the seven hours in which the engine is not operated at full power) must be at or below cruise speed. Cruise speed is dependent on the engine's maximum engine rated speed (RPM):

Model	Full-Power Engine Rated Speed	Cruise Speed	Std Ltd Warranty
2.0L I4 (115 hp Tier 2)	3000 RPM	2700 RPM	2 yr
2.0L I4	4000 RPM	3600 RPM	2 yr
2.8L I4 (Tier 2)	3000 RPM	2700 RPM	2 yr
3.0L V6 (230 hp 3500 RPM)	3500 RPM	3100 RPM	2 yr
3.0L V6 sterndrive	4000 RPM	3600 RPM	2 yr
3.0L V6 inboard	4000 RPM	3600 RPM	3 yr
4.2L I6 (Tier 2)	4000 RPM	3600 RPM	2 yr
4.2L V8 sterndrive	4200 RPM	3800 RPM	2 yr
4.2L V8 inboard	4200 RPM	3800 RPM	3 yr

All pleasure use diesel applications receive a **3 year Limited Warranty Against Corrosion**.

Operation of the product in excess of the high-output recreational specifications will void the warranty.

1. WARRANTY COVERAGE—READ FIRST

LIGHT-DUTY (COMMERCIAL USE)

Commercial use is defined as any work or employment-related use of this product, or any use of the product that generates income, for any part of the warranty period, even if the product is only occasionally used for such purposes.

A light-duty commercial rating applies to variable load applications where full power is limited to one hour out of every eight hours of operation.

Reduced-power operation (out of every eight hours, the seven hours in which the engine is not operated at full power) must be at or below cruise speed.

Cruise speed is dependent on the engine's maximum engine rated speed (RPM):

Model	Full-Power Engine Rated Speed	Cruise Speed	Std Ltd Warranty
2.0L I4 (115 hp Tier 2)	3000 RPM	2700 RPM	1 yr/1,000 hr
2.0L I4	4000 RPM	3600 RPM	1 yr/1,000 hr
2.8L I4 (Tier 2)	3000 RPM	2700 RPM	1yr/1,000 hr
3.0L V6 (150 hp) sterndrive	3000 RPM	2600 RPM	1 yr/1,000 hr
3.0L V6 (230 hp 3500 RPM)	3500 RPM	3100 RPM	1 yr/1,500 hr
3.0L V6 (230, 260 hp) sterndrive	4000 RPM	3600 RPM	1 yr/1,000 hr
3.0L V6 (230, 260 hp) inboard	4000 RPM	3600 RPM	1 yr/1,000 hr
4.2L I6 (Tier 2)	3800 RPM	3400 RPM	1 yr/1,000 hr
4.2L V8 (335 hp) sterndrive	4200 RPM	3800 RPM	1 yr/1,500 hr
4.2L V8 (370 hp) sterndrive	4200 RPM	3800 RPM	1 yr/1,000 hr
4.2L V8 inboard	4200 RPM	3800 RPM	1 yr/1,000 hr

Operation of the product in excess of the light-duty commercial specifications will void the warranty.

2. MERCURY MARINE LIMITED WARRANTY

Mercury Marine Limited Warranty

IMPORTANT: This limited factory warranty applies to new Outboard, MerCruiser, Diesel, and recreational-use Racing Products purchased in the United States and Canada. Terms and conditions may vary in other regions of the world. Your authorized Mercury dealer should provide you with those terms and conditions at the time of purchase of your Mercury Product.

WHAT IS COVERED

Mercury Marine warrants its new Products to be free of defects in material and workmanship during the period described below.

DURATION OF COVERAGE

This limited warranty provides coverage for the time specified in the **Warranty Charts**. The time is measured from the date the Product is first sold to a recreational use retail purchaser, or the date on which the Product is first put into service, whichever occurs first.

The repair or replacement of parts, or the performance of service under this warranty, does not extend the life of this warranty beyond its original expiration date. Unexpired warranty coverage can be transferred from one recreational use customer to a subsequent recreational use customer upon proper reregistration of the Product. Unexpired warranty coverage cannot be transferred either to or from a commercial use customer.

Warranty coverage may be terminated for used Product:

- Repossessed from a retail customer
- Purchased at an auction
- Purchased from a salvage yard
- Purchased from an insurance company that obtained the Product as a result of an insurance claim

COMMERCIAL USE

Commercial users of these Products receive warranty coverage of one year from the date of first retail sale, or one year from the date on which the Product was first put into service, whichever occurs first. Commercial use is defined as any work or employment-related use of the Product, or any use of the Product that generates income, for any part of the warranty period, even if the Product is only occasionally used for such purposes.

2. MERCURY MARINE LIMITED WARRANTY

CONDITIONS THAT MUST BE MET TO OBTAIN WARRANTY COVERAGE

Warranty coverage is available only to retail customers who purchase from a dealer authorized by Mercury Marine to distribute the Product in the country in which the sale occurred, and then only after the Mercury Marine-specified predelivery inspection process is complete and documented. Warranty coverage becomes available upon proper registration of the Product by the authorized dealer. Inaccurate warranty registration information regarding recreational use, or subsequent change of use from recreational to commercial (unless properly reregistered) may void the warranty at the sole discretion of Mercury Marine. Routine maintenance must be performed according to the maintenance schedule in the Operation and Maintenance manual in order to obtain warranty coverage. Mercury Marine reserves the right to make warranty coverage contingent upon proof of proper maintenance.

WHAT MERCURY WILL DO

Mercury's sole and exclusive obligation under this warranty is limited to, at our option, repairing a defective part, replacing such part or parts with new or Mercury Marine certified remanufactured parts, or refunding the purchase price of the Mercury Product. Mercury reserves the right to improve or modify products from time to time without assuming an obligation to modify products previously manufactured.

HOW TO OBTAIN WARRANTY COVERAGE

The customer must provide Mercury with a reasonable opportunity to repair and reasonable access to the Product for warranty service. Warranty claims shall be made by delivering the Product for inspection to a Mercury dealer authorized to service the Product. If the purchaser cannot deliver the Product to such a dealer, written notice must be given to Mercury. Mercury Marine will then arrange for the inspection and any covered repair. The purchaser, in that case, shall pay for all related transportation charges and/or travel time. If the service provided is not covered by this warranty, the purchaser shall pay for all related labor and material and any other expenses associated with that service. The purchaser shall not, unless requested by Mercury, ship the Product or parts of the Product directly to Mercury. Proof of registered ownership must be presented to the dealer at the time warranty service is requested in order to obtain coverage.

WHAT IS NOT COVERED

This limited warranty does not cover:

- Routine maintenance items, tune-ups, or adjustments
- Normal wear and tear
- Faded paint
- Jet pump impellers or liners
- Driveshaft bearings with water damage as a result of improper maintenance

2. MERCURY MARINE LIMITED WARRANTY

This limited warranty also does not cover damage caused by any of the following:

- Abuse
- Abnormal use
- Use of a propeller or gear ratio that does not allow the engine to run in its recommended RPM range (refer to the Operation and Maintenance manual)
- Operation of the product in a manner inconsistent with the recommended operation and duty-cycle (refer to the Operation and Maintenance manual)
- Neglect
- Accident
- Submersion
- Improper installation (proper installation specifications and techniques are set forth in the installation instructions for the product)
- Improper service
- Use of an accessory or part that was not manufactured or sold by Mercury Marine
- Operation with fuels, oils, or lubricants that are not suitable for use with the product (refer to the Operation and Maintenance manual)
- Alteration or removal of parts
- Water entering the engine through the fuel intake, air intake, or exhaust system
- Insufficient cooling water caused by blockage of the cooling system by a foreign body, running the engine out of water, or mounting the engine too high on the transom
- Running the boat with the engine/drive trimmed out too far
- Striking a submerged object

Use of the Product for racing or other competitive activity, or operating a Mercury Outboard with a racing-type lower unit, at any point, even by a prior owner of the Product, voids the warranty.

Expenses related to haul-out, launch, towing, storage, telephone, rental, inconvenience, slip fees, insurance coverage, loan payments, loss of time, loss of income, or any other type of incidental or consequential damages are not covered by this warranty. Also, expenses associated with the removal or replacement of boat partitions or other material in order to gain access to the Product are not covered by this warranty.

No individual or entity, including Mercury Marine authorized dealers, has been given authority by Mercury Marine to make any affirmation, representation or warranty regarding the Product, other than those contained in this limited warranty, and if made, shall not be enforceable against Mercury Marine.

2. MERCURY MARINE LIMITED WARRANTY

DISCLAIMERS AND LIMITATIONS:

THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED. TO THE EXTENT THAT THEY CANNOT BE DISCLAIMED, THE IMPLIED WARRANTIES ARE LIMITED IN DURATION TO THE LIFE OF THE EXPRESS WARRANTY. INCIDENTAL AND CONSEQUENTIAL DAMAGES ARE EXCLUDED FROM COVERAGE UNDER THIS WARRANTY. SOME STATES/COUNTRIES DO NOT ALLOW FOR THE DISCLAIMERS, LIMITATIONS, AND EXCLUSIONS IDENTIFIED ABOVE; AS A RESULT, THEY MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER LEGAL RIGHTS THAT VARY FROM STATE TO STATE AND COUNTRY TO COUNTRY.

Transfer of Warranty

UNITED STATES AND CANADA

The limited warranty is transferable to a subsequent purchaser, but only for the remainder of the unused portion of the limited warranty. The limited warranty cannot be transferred on products used for commercial applications.

To transfer the warranty to the subsequent owner, mail or fax a copy of the bill of sale or purchase agreement, new owner's name, address, and engine serial number to Mercury Marine's warranty registration department. In the United States and Canada, mail to:

Mercury Marine
Attn: Warranty Registration Department
W6250 Pioneer Road
P.O. Box 1939
Fond du Lac, WI 54936-1939
920-929-5054
Fax +1 920 907 6663

Upon processing the transfer of warranty, Mercury Marine will record the new owner's information.

There is no charge for this service.

OUTSIDE THE UNITED STATES AND CANADA

For products purchased outside the United States and Canada, contact the distributor in your country or the Marine Power Service Center closest to you.

3. LIMITED WARRANTY AGAINST CORROSION

Limited Warranty Against Corrosion (Recreational Use Only)

WHAT IS COVERED

Mercury Marine warrants that each new recreational use Product will not be rendered inoperative as a direct result of corrosion for the period of time described below.

DURATION OF COVERAGE

This limited corrosion warranty provides coverage for the time specified in the **Warranty Charts**. The time is measured from the date the Product is first sold, or the date on which the Product is first put into service, whichever occurs first. The repair and replacement of parts, or the performance of service under this warranty does not extend the life of this warranty beyond its original expiration date. Unexpired warranty coverage can be transferred to a subsequent (noncommercial use) purchaser upon proper reregistration of the Product.

TERMINATION OF COVERAGE

Warranty coverage may be terminated for used Product:

- Repossessed from a retail customer
- Purchased at an auction
- Purchased from a salvage yard
- Purchased from an insurance company that obtained the Product as a result of an insurance claim

CONDITIONS THAT MUST BE MET TO OBTAIN WARRANTY COVERAGE

Warranty coverage is available only to retail customers who purchase from a dealer authorized by Mercury Marine to distribute the Product in the country in which the sale occurred, and then only after the Mercury Marine-specified predelivery inspection process is complete and documented. Warranty coverage becomes available upon proper registration of the Product by the authorized dealer. Corrosion prevention devices specified in the Operation and Maintenance manual must be in use on the boat, and routine maintenance (including without limitation the replacement of sacrificial anodes, use of specified lubricants, and touch-up of nicks and scratches) must be performed according to the schedule in the Operation and Maintenance manual in order to maintain warranty coverage. Mercury Marine reserves the right to make warranty coverage contingent upon proof of proper maintenance.

WHAT MERCURY WILL DO

Mercury's sole and exclusive obligation under this warranty is limited to, at our option, repairing a corroded part, replacing such part or parts with new or Mercury Marine certified remanufactured parts, or refunding the purchase price of the Mercury Product. Mercury reserves the right to improve or modify products from time to time without assuming an obligation to modify products previously manufactured.

3. LIMITED WARRANTY AGAINST CORROSION

HOW TO OBTAIN WARRANTY COVERAGE

The customer must provide Mercury with reasonable access and opportunity to repair the Product for warranty service. Warranty claims shall be made by delivering the Product for inspection to a Mercury dealer authorized to service the Product. If the purchaser cannot deliver the Product to such a dealer, written notice must be given to Mercury. Mercury Marine will then arrange for the inspection and any covered repair. The purchaser, in that case, shall pay for all related transportation charges and/or travel time. If the service provided is not covered by this warranty, the purchaser shall pay for all related labor and material and any other expenses associated with that service. The purchaser shall not, unless requested by Mercury, ship the Product or parts of the Product directly to Mercury. Proof of registered ownership must be presented to the dealer at the time warranty service is requested in order to obtain coverage.

WHAT IS NOT COVERED

This limited warranty does not cover:

- Electrical system corrosion
- Corrosion resulting from damage
- Corrosion that causes cosmetic damage
- Damage resulting from abuse or improper service
- Corrosion to accessories, instruments, or steering systems
- Damage due to marine growth
- Product sold with less than a one year limited Product warranty
- Replacement parts (parts purchased by the customer)
- Products used in a commercial application

Commercial use is defined as any work or employment-related use of the Product, or any use of the Product that generates income, for any part of warranty period, even if the Product is only occasionally used for such purposes.

DISCLAIMERS AND LIMITATIONS:

THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED. TO THE EXTENT THAT THEY CANNOT BE DISCLAIMED, THE IMPLIED WARRANTIES ARE LIMITED IN DURATION TO THE LIFE OF THE EXPRESS WARRANTY. INCIDENTAL AND CONSEQUENTIAL DAMAGES ARE EXCLUDED FROM COVERAGE UNDER THIS WARRANTY. SOME STATES/COUNTRIES DO NOT ALLOW FOR THE DISCLAIMERS, LIMITATIONS, AND EXCLUSIONS IDENTIFIED ABOVE; AS A RESULT, THEY MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER LEGAL RIGHTS THAT VARY FROM STATE TO STATE AND COUNTRY TO COUNTRY.

4. U.S. EMISSION CONTROL WARRANTY

MerCruiser Emission Information

To identify the applicable emission control warranty coverage for a particular MerCruiser product, refer to the Emission Control Information label affixed to the engine.

Engines designated as exempt from either Federal EPA or California emission control regulations are not covered by a separate emission control component warranty. The Mercury Marine Limited Warranty is not affected by the engine's designation under Federal EPA or California emission control regulations.

For a list of typical emission control-related engine components, refer to **Emission Control System Components**.

EMISSION CONTROL INFORMATION LABEL (MERCUISER ONLY)

A tamper-resistant emission control information (ECI) label is affixed in a visible location to the MerCruiser engine at the time of manufacture by Mercury. Please note that the low emissions certification will not affect the fit, function, or performance of the engine. Boatbuilders and dealers may not remove the label or the part it is affixed to before sale. If modifications are necessary, contact Mercury about the availability of replacement decals before proceeding. In addition to the required emissions statement, the label lists the engine serial number, family, applicable emission standard, date of manufacture (month, year), and engine displacement.

		EMISSION CONTROL INFORMATION		ECE/EPACA
THIS ENGINE CONFORMS TO XXXX CALIFORNIA AND U.S. EPA EMISSION REGULATIONS FOR SPARK IGNITION MARINE ENGINES			a	
REFER TO THE OWNER'S MANUAL FOR MAINTENANCE SPECIFICATIONS AND ADJUSTMENTS

HC+NOx FEL: XX.X g/kWh	CO FEL: XXX g/kWh			

43500

- a - Applicable standard for model year
- b - Engine serial number
- c - US EPA engine family name
- d - Hydrocarbons plus oxides of nitrogen family emission limit
- e - Date of manufacture
- f - Engine displacement, engine power
- g - Carbon monoxide family emission limit

IMPORTANT: A CE mark in the lower right corner of the Emission Control Information label indicates that an EU Declaration of Conformance applies.

4. U.S. EMISSION CONTROL WARRANTY

IMPORTANT: Engines designated as exempt from either Federal EPA or California emission control regulations are not covered by a separate emission control component warranty. The Mercury Marine Limited Warranty is not affected by the engine's designation under Federal EPA or California emission control regulations.

4. U.S. EMISSION CONTROL WARRANTY

Owner Responsibility

The operator must have routine engine maintenance performed to maintain emission levels within prescribed certification standards.

The operator may not modify the engine in any manner that alters the horsepower or allows emissions levels to exceed factory specifications.

U.S. EPA Emissions Limited Warranty

Consistent with the obligations created by 40 CFR Part 1045, Subpart B, Mercury Marine provides an emission warranty of three years or 480 hours of engine use, whichever occurs first, to the retail purchaser for sterndrive and inboard engines, an emission warranty of five years or 175 hours of engine use, whichever occurs first, to the retail customer for outboard engines, and an emission warranty for five years or 500 hours, whichever occurs first, to the retail customer for marine compression ignition engines, that the engine is designed, built, and equipped so as to conform at the time of sale with applicable regulations under section 213 of the Clean Air Act, and that the engine is free from defects in materials and workmanship that cause the engine to fail to conform with applicable regulations.

This emission-related warranty covers all applicable components listed in **Emission Control System Components**.

Emission Control System Components

The emission-related warranty covers all components whose failure would increase an engine's emission of any regulated component including the following list of components:

1. Fuel metering system
 - a. Carburetor and internal parts (or fuel pressure regulator or fuel injection system)
 - b. Air/fuel ratio feedback and control system
 - c. Cold-start enrichment system
 - d. Intake valves
2. Air induction system
 - a. Controlled hot air intake system
 - b. Intake manifold
 - c. Air filter
 - d. Turbocharger systems
 - e. Heat riser valve and assembly
 - f. Supercharger systems
3. Ignition system
 - a. Spark plugs
 - b. Magneto or electronic ignition system
 - c. Spark control system

4. U.S. EMISSION CONTROL WARRANTY

- d. Ignition coil or control module
- e. Ignition wires
- 4. Lubrication system
 - a. Oil pump and internal parts
 - b. Oil injectors
 - c. Oil meter
- 5. Positive crankcase ventilation (PCV) system
 - a. PCV valve
 - b. Oil filler cap
- 6. Exhaust system
 - a. Exhaust manifold
 - b. Exhaust elbow
 - c. Intermediate exhaust elbow
 - d. Lower exhaust pipe
 - e. Tailpipe
- 7. Catalysts or thermal reactor system
 - a. Catalytic converter
 - b. Thermal reactor
 - c. Exhaust manifold
 - d. Exhaust valves
- 8. Miscellaneous items used in the previously listed systems
 - a. Hoses, clamps, fittings, tubing, sealing gaskets or devices, and mounting hardware
 - b. Pulleys, belts, and idlers
 - c. Vacuum, temperature, check and time-sensitive valves and switches
 - d. Electronic controls

NOTE: *The emission-related warranty does not cover components whose failure would not increase an engine's emissions of any regulated pollutant.*

5. CALIFORNIA EMISSIONS LIMITED WARRANTY

California Emissions Limited Warranty

NOTE: Mercury Marine does not establish model years for the Mercury product lines. In order to comply with California Air Resources Board warranty regulations, and for that limited purpose only, model year shall have the same meaning as calendar year. As an example, 2003 model year products refers to products manufactured during calendar year 2003.

NOTE: Your dealer will register your engine for warranty coverage for you. The warranty registration process is not related in any way to the process of obtaining a license, title, or registration from state boating authorities. You should ask your dealer to update your warranty registration information to reflect a change of address or a transfer of ownership (this change may be made at any time). Refer to **Warranty Registration** or see your dealer for more information.

The California Air Resources Board has promulgated air emissions regulations for marine engines. The regulations apply to all outboard engines that were manufactured for the 2001 model year and later, and for all inboard and sterndrive engines that were manufactured for the 2003 model year and later. Mercury Marine, in compliance with those regulations, provides this limited warranty for the emission control systems (refer to the applicable components listed in **Emission Control System Components**), and further warrants that the engine was designed, built, and equipped to conform with all applicable regulations adopted by the California Air Resources Board pursuant to its authority in Chapters 1 and 2, Part 5, Division 26 of the Health and Safety Code. For information regarding the limited warranty for the nonemissions related components of the engine, refer to **Mercury Marine Limited Warranty**.

WHAT IS COVERED

Mercury Marine warrants the components of the emissions control systems (refer to **Emission Control System Components**) of its new, 2001 model year and later outboards and 2003 model year and newer California-certified inboard and sterndrive engines to be free from defects in material or workmanship that cause the failure of a warranted part to be identical in all material respects to that part as described in the application of Mercury Marine for certification from the California Air Resources Board for the period of time and under the conditions identified below. The cost to diagnose a warranty failure is covered if the warranty claim is approved. Damage to other engine components caused by the failure of a warranted part will also be repaired under warranty.

5. CALIFORNIA EMISSIONS LIMITED WARRANTY

DURATION OF COVERAGE FOR OUTBOARD PRODUCT

This limited warranty provides coverage for the components of the emissions control systems of new, 2001 model year and later outboards sold to retail customers in California for four (4) years from either the date the Product is first sold or the date it is first put into service, whichever occurs first, or the accumulation of 250 hours of engine operation as determined by the engine's hour meter, if any. Emission-related normal maintenance items such as spark plugs and filters that are on the warranted parts list are warranted up to their first required replacement interval only. Refer to **Emission Control System Components** and the maintenance schedule in the applicable Operation and Maintenance manual. The repair or replacement of parts, or the performance of service under this warranty, does not extend the life of this warranty beyond its original expiration date. Unexpired warranty coverage can be transferred to a subsequent purchaser. Refer to **Transfer of Warranty**.

DURATION OF COVERAGE FOR MERCUISER PRODUCT

This limited warranty provides coverage for the components of the emissions control systems. Specific emission control-related parts on inboard or sterndrive engines are warranted for three years or 480 hours of engine operation (as determined by the engine's hour meter, if any), whichever occurs first, from either the date the Product is first sold or the date it is first put into service, whichever occurs first. Emission-related normal maintenance items such as spark plugs and filters that are on the warranted parts list are warranted up to their first required replacement interval only. Refer to **Emission Control System Components** and the maintenance schedule in the Operation and Maintenance manual. The repair or replacement of parts, or the performance of service under this warranty, does not extend the life of this warranty beyond its original expiration date. Unexpired warranty coverage can be transferred to a subsequent purchaser. Refer to **Transfer of Warranty**.

HOW TO OBTAIN WARRANTY COVERAGE

The customer must provide Mercury with a reasonable opportunity to repair and reasonable access to the Product for warranty service. Warranty claims shall be made by delivering the Product for inspection to a Mercury dealer authorized to service the Product. If the purchaser cannot deliver the Product to such a dealer, please notify Mercury Marine and Mercury will then arrange for the inspection and any covered repair. The purchaser, in that case, shall pay for all related transportation charges and travel time. If the service provided is not covered by this warranty, the purchaser shall pay for all related labor and material and any other expenses associated with that service. The purchaser shall not, unless requested by Mercury, ship the Product or parts of the Product to Mercury.

5. CALIFORNIA EMISSIONS LIMITED WARRANTY

WHAT MERCURY WILL DO

Mercury Marine's sole and exclusive obligation under this warranty is limited to, at our expense and at our option, repairing or replacing defective parts with new or Mercury Marine certified remanufactured parts, or refunding the purchase price of the Mercury Product. Mercury reserves the right to improve or modify products from time to time without assuming an obligation to modify products previously manufactured.

WHAT IS NOT COVERED

This limited warranty does not cover:

1. Routine maintenance items, tune-ups, or adjustments
2. Normal wear and tear
3. Jet pump impellers or liners

This limited warranty also does not cover damage caused by:

- Abuse
- Abnormal use
- Use of a propeller or gear ratio that does not allow the engine to run in its recommended wide-open throttle RPM range as stated in the Operation and Maintenance manual
- Operation of the Product in a manner inconsistent with the recommended operation procedures
- Neglect
- Accident
- Submersion
- Improper installation (proper installation specifications and techniques are set forth in the installation instructions for the Product)
- Improper service
- Operation with fuels, oils, or lubricants that are not suitable for use with the Product (refer to the Operation and Maintenance manual)
- Alteration or removal of parts

Expenses related to haul-out, launch, towing, storage, telephone, rental, inconvenience, slip fees, insurance coverage, loan payments, loss of time, loss of income, or any other type of incidental or consequential damages are not covered by this warranty. Also, expenses associated with the removal or replacement of boat partitions or other material to gain access to the Product are not covered by this warranty.

5. CALIFORNIA EMISSIONS LIMITED WARRANTY

Nonwarranty maintenance, replacement, or repair of emission control devices and systems may be performed by any marine engine repair establishment or individual. The use of non-Mercury parts for nonwarranty maintenance or repairs will not be grounds for disallowing other warranty work. The use of add-on (as defined at section 1900 (b)(1) and (b)(10) of Title 13 of the California Code of Regulations) or modified parts not exempted by the California Air Resources Board may be grounds for disallowing a warranty claim, at the discretion of Mercury Marine. Failures of warranted parts caused by the use of a nonexempted add-on or modified part will not be covered.

OWNER'S WARRANTY RESPONSIBILITIES

As the marine engine owner, you are responsible for the performance of the required maintenance listed in your Operation and Maintenance manual. Mercury Marine recommends that you retain all receipts covering maintenance on your marine engine, but Mercury Marine cannot deny warranty solely for the lack of receipts or your failure to ensure the performance of all scheduled maintenance.

As the marine engine owner, you should however be aware that Mercury Marine may deny you warranty coverage if your marine engine or a part has failed due to abuse, neglect, improper maintenance, or unapproved modifications.

You are responsible for presenting your marine engine to a Mercury Marine dealer authorized to service the Product as soon as a problem exists. The warranty repairs will be completed in a reasonable amount of time, not to exceed 30 days. If you have any questions regarding your warranty rights and responsibilities, contact Mercury Marine at 1-920-929-5040.

DISCLAIMERS AND LIMITATIONS:

THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED. TO THE EXTENT THAT THEY CANNOT BE DISCLAIMED, THE IMPLIED WARRANTIES ARE LIMITED IN DURATION TO THE LIFE OF THE EXPRESS WARRANTY. INCIDENTAL AND CONSEQUENTIAL DAMAGES ARE EXCLUDED FROM COVERAGE UNDER THIS WARRANTY. SOME STATES/COUNTRIES DO NOT ALLOW FOR THE DISCLAIMERS, LIMITATIONS, AND EXCLUSIONS IDENTIFIED ABOVE; AS A RESULT, THEY MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER LEGAL RIGHTS THAT VARY FROM STATE TO STATE AND COUNTRY TO COUNTRY.

5. CALIFORNIA EMISSIONS LIMITED WARRANTY

Explanation of Your California Emissions Limited Warranty

YOUR WARRANTY RIGHTS AND OBLIGATIONS

The California Air Resources Board (CARB) and Mercury Marine are pleased to explain the emission control system warranty on your 2017–2018 model year marine engine. In California, new marine engines must be designed, built, and equipped to meet the state's stringent antismog standards. Mercury Marine must warrant the emission control system on your marine engine for the periods of time listed here, provided there has been no abuse, neglect, or improper maintenance of your marine engine.

Your emission control system may include parts such as the carburetor or fuel injection system, the ignition system, and catalytic converter. Also included may be hoses, belts, connectors, and other emission-related assemblies.

Where a warrantable condition exists, Mercury Marine will repair your marine engine at no cost to you, including diagnosis, parts, and labor.

MANUFACTURER'S WARRANTY COVERAGE FOR MERCURISER GAS PRODUCT

Select emission control parts from 2009 and later (inboard or sterndrive) engines are warranted for three years or 480 hours, whichever occurs first. However, warranty coverage based on the hourly period is only permitted for engines that are equipped with hour meters as defined in § 2441(a)(13) or their equivalent. If any emission-related part on your engine is defective under warranty, the part will be repaired or replaced by Mercury Marine.

MANUFACTURER'S WARRANTY COVERAGE FOR OUTBOARD PRODUCT

Select emission control parts from model year 2001 and later outboard engines are warranted for four (4) years, or for 250 hours of use, whichever occurs first. However, warranty coverage based on the hourly period is only permitted for outboard engines and personal watercraft equipped with hour meters, as defined in § 2441(a)(13), or their equivalent. If any emission-related part on your engine is defective under warranty, the part will be repaired or replaced by Mercury Marine.

OWNER'S WARRANTY RESPONSIBILITIES

As the marine engine owner, you are responsible for the performance of the required maintenance listed in your Operation and Maintenance manual. Mercury Marine recommends that you retain all receipts covering maintenance on your marine engine, but Mercury Marine cannot deny warranty solely for the lack of receipts or your failure to ensure the performance of all scheduled maintenance.

As the marine engine owner, you should however be aware that Mercury Marine may deny you warranty coverage if your marine engine or a part has failed due to abuse, neglect, improper maintenance, or unapproved modifications.

5. CALIFORNIA EMISSIONS LIMITED WARRANTY

You are responsible for presenting your marine engine to a Mercury Marine dealer authorized to service the Product as soon as a problem exists. The warranty repairs will be completed in a reasonable amount of time, not to exceed 30 days. If you have any questions regarding your warranty rights and responsibilities, contact Mercury Marine at 1-920-929-5040.

Emission Control System Components

The emission-related warranty covers all components whose failure would increase an engine's emission of any regulated component including the following list of components:

1. Fuel metering system
 - a. Carburetor and internal parts (or fuel pressure regulator or fuel injection system)
 - b. Air/fuel ratio feedback and control system
 - c. Cold-start enrichment system
 - d. Intake valves
2. Air induction system
 - a. Controlled hot air intake system
 - b. Intake manifold
 - c. Air filter
 - d. Turbocharger systems
 - e. Heat riser valve and assembly
 - f. Supercharger systems
3. Ignition system
 - a. Spark plugs
 - b. Magneto or electronic ignition system
 - c. Spark control system
 - d. Ignition coil or control module
 - e. Ignition wires
4. Lubrication system
 - a. Oil pump and internal parts
 - b. Oil injectors
 - c. Oil meter
5. Positive crankcase ventilation (PCV) system
 - a. PCV valve
 - b. Oil filler cap
6. Exhaust system
 - a. Exhaust manifold

5. CALIFORNIA EMISSIONS LIMITED WARRANTY

- b. Exhaust elbow
 - c. Intermediate exhaust elbow
 - d. Lower exhaust pipe
 - e. Tailpipe
7. Catalysts or thermal reactor system
- a. Catalytic converter
 - b. Thermal reactor
 - c. Exhaust manifold
 - d. Exhaust valves
8. Miscellaneous items used in the previously listed systems
- a. Hoses, clamps, fittings, tubing, sealing gaskets or devices, and mounting hardware
 - b. Pulleys, belts, and idlers
 - c. Vacuum, temperature, check and time-sensitive valves and switches
 - d. Electronic controls

NOTE: *The emission-related warranty does not cover components whose failure would not increase an engine's emissions of any regulated pollutant.*

Warranty Registration and Transfer

WARRANTY REGISTRATION—UNITED STATES AND CANADA

Outside United States and Canada, check with your local distributor.

1. You may change your address on file with Mercury Marine at any time, including at the time of a warranty claim, by calling, mailing, or faxing your name, old address, new address, and engine serial number to Mercury Marine's warranty registration department. Your dealer can also process this change of information.

Mercury Marine

Attn: Warranty Registration Department

W6250 Pioneer Road

P.O. Box 1939

Fond du Lac, WI 54936-1939

920-929-5054

Fax +1 920 907 6663

For Mercury Marine's Privacy Policy, visit www.mercurymarine.com/privacy-policy/.

NOTE: *Registration lists must be maintained by Mercury Marine and any dealer on marine products sold in the United States should a safety recall notification under the Federal Safety Act be required.*

2. To be eligible for warranty coverage, the Product must be registered with Mercury Marine. At the time of sale, the dealer should complete the warranty registration and immediately submit it to Mercury Marine via MercNET, e-mail, or mail. Upon receipt of this warranty registration, Mercury Marine will record the registration.

Warranty coverage is not effective until your Product is registered with Mercury Marine.

TRANSFER OF WARRANTY

United States and Canada

The limited warranty is transferable to a subsequent purchaser, but only for the remainder of the unused portion of the limited warranty. The limited warranty cannot be transferred on products used for commercial applications.

To transfer the warranty to the subsequent owner, mail or fax a copy of the bill of sale or purchase agreement, new owner's name, address, and engine serial number to Mercury Marine's warranty registration department. In the United States and Canada, mail to:

6. ZEUS DRIVE LIMITED WARRANTY

Mercury Marine
Attn: Warranty Registration Department

P.O. Box 1939
Fond du Lac, WI 54936-1939
920-929-5054
Fax +1 920 907 6663

Upon processing the transfer of warranty, Mercury Marine will record the new owner's information.

There is no charge for this service.

Outside the United States and Canada

For products purchased outside the United States and Canada, contact the distributor in your country or the Marine Power Service Center closest to you.

Zeus Drive High-Output Recreational Use Limited Warranty

WHAT IS COVERED

Mercury Marine warrants each new Zeus drive system, including Precision Rugged Components (Mercury branded control components) (Zeus drive system and Precision Rugged Components referred to as "Product"), to be free of defects in material and workmanship during the period described following.

DURATION OF COVERAGE

The warranty period begins on the date the Product is first sold to a recreational use retail purchaser or the date the Product is first put into service, whichever occurs first. Commercial use of the Product voids the warranty. Commercial use is defined as any work or employment-related use of the Product, or any use of the Product that generates income during any part of the warranty period, even if the Product is only occasionally used for such purposes. The repair or replacement of parts, or the performance of service under this warranty does not extend the term of this warranty beyond its original expiration date. Unexpired warranty coverage can be transferred from one recreational use customer to a subsequent recreational use customer upon proper registration of the Product.

THREE-YEAR LIMITED WARRANTY

This limited warranty provides coverage for 36 months or 1500 hours of use, whichever occurs first.

Coverage Category	Months	Hours	Parts and Labor	Travel
Three-Year Limited Warranty	36	1500	Yes	Yes
Extended major components limited warranty	24	1000	Yes	Yes

6. ZEUS DRIVE LIMITED WARRANTY

EXTENDED MAJOR COMPONENTS LIMITED WARRANTY

The extended major components limited warranty begins when the three-year limited warranty expires. For an additional 24 months or 1000 hours in service, whichever occurs first, the extended major components limited warranty covers warrantable failures of the following drive parts or castings:

- Marine gear housing casting
- Marine gear drop-box housing casting
- Steering actuator housing casting
- Drive midsection casting
- Lower gear housing casting (underwater impact damage excluded)
- Trim tab casting (underwater impact damage excluded)
- Bearing carrier casting (underwater impact damage excluded)
- Driveshaft (U-joints excluded)

NOTE: *In order to qualify for coverage, the driveshaft must have been originally supplied to the boatbuilder by Mercury Marine.*

- Intermediate shaft (underwater impact damage excluded)
- Clamp rings
- Skeg (underwater impact damage excluded)

HIGH-OUTPUT RATING

A high-output rating applies to variable load applications and requires full power to be limited to one (1) hour out of every eight (8) hours of operation.

Reduced-power operation (out of every eight hours, the seven hours in which the engine is not operated at full power) must be at or below cruise speed.

Cruise speed is dependent on the engine's maximum engine rated speed (RPM):

Full Power Engine Rated Speed (Full power is defined as an RPM that exceeds cruise speed)	Cruise Speed
2300 RPM	2100 RPM
2500 RPM	2300 RPM
2800 RPM	2500 RPM
3000 RPM	2700 RPM
3200 RPM	2900 RPM
3300 RPM	3000 RPM
3400 RPM	3100 RPM

6. ZEUS DRIVE LIMITED WARRANTY

CONDITIONS THAT MUST BE MET TO OBTAIN WARRANTY COVERAGE

Warranty coverage is available only to retail customers who purchase the Product from a dealer authorized by Mercury Marine to distribute the Product in the country in which the sale occurred, and then only after the Mercury Marine-specified predelivery inspection process is complete and documented. Inaccurate warranty registration information regarding recreational use, or subsequent change of use from recreational to commercial (unless properly registered) may void the warranty at the sole discretion of Mercury Marine.

PURCHASER'S RESPONSIBILITY

Perform all regular maintenance in compliance with the schedule in the applicable Operation and Maintenance Manual. Maintain records of service and maintenance performed on the Mercury Marine products. **Mercury Marine reserves the right to make any warranty coverage contingent upon proof of proper maintenance.**

WHAT MERCURY WILL DO

Mercury Marine's sole and exclusive obligation under this warranty is limited to, at our option, repairing a defective part, replacing such part or parts with new or Mercury Marine certified remanufactured parts, or refunding the purchase price of the Mercury Marine Product. Mercury Marine reserves the right to improve or modify products from time to time without assuming an obligation to modify products previously manufactured.

This warranty covers reasonable and customary expenses related to a warranty repair, however, the authorized Mercury Marine repair facility must obtain preauthorization from Mercury Marine's Service Department prior to commencing the warranty repair. In the event that the warranty repair cannot be conducted at the authorized repair facility, travel time allowance for pleasure/commercial-use is limited to 250 miles and 5 hours per warranty event. The authorized repair facility must obtain preauthorization from Mercury Marine's Service Department prior to commencing travel activities.

Upon Warranty claim submission, Mercury Marine reserves the right to request proof of maintenance ensuring recommended care is routinely performed.

HOW TO OBTAIN WARRANTY COVERAGE

Warranty claims must be made through a Mercury Marine authorized repair facility. The customer must provide Mercury Marine with a reasonable opportunity to repair and reasonable access to the Product for warranty service. The purchaser shall not, unless requested by Mercury Marine, ship the Product or parts of the Product directly to Mercury Marine.

TERMINATION OF COVERAGE

Warranty coverage may be terminated for used Product:

- Repossessed from a retail customer

6. ZEUS DRIVE LIMITED WARRANTY

- Purchased at an auction
- Purchased from a salvage yard
- Purchased from an insurance company that obtained the Product as a result of an insurance claim

Warranty coverage may also be terminated for any Product that was registered with inaccurate warranty registration information.

WHAT IS NOT COVERED

This limited warranty does not cover:

- Routine maintenance items and adjustments
- Normal wear and tear
- Faded paint
- Expenses related to towing, storage, telephone, rental, inconvenience, slip fees, insurance coverage, loan payments, loss of time, loss of income, or any other type of incidental or consequential damages
- Expenses associated with the removal or replacement of boat partitions or other material in order to gain access to the Product
- Cost of repairs performed outside normal working hours

This limited warranty also does not cover damage caused by any of the following:

- Abuse
- Abnormal use
- Use of a propeller or gear ratio that does not allow the engine to run in its recommended RPM range (refer to the Operation and Maintenance manual)
- Operation of the Product in a manner inconsistent with the recommended operation and duty-cycle (refer to the Operation and Maintenance manual)
- Neglect
- Accident
- Submersion (of inside boat components)
- Improper installation (proper installation specifications and techniques are set forth in the installation instructions for the Product)
- Improper service
- Use of an accessory or part that was not manufactured or sold by Mercury Marine
- Operation with oils or lubricants that are not suitable for use with the Product (refer to the Operation and Maintenance manual)
- Alteration or removal of parts
- Insufficient cooling water caused by blockage of the cooling system by a foreign body

6. ZEUS DRIVE LIMITED WARRANTY

Use of the Product for racing or other competitive activity, even by a previous owner of the Product, voids the warranty.

No individual or entity, including Mercury Marine authorized dealers, has been given authority by Mercury Marine to make any affirmation, representation, or warranty regarding the Product, other than those contained in this limited warranty. If such affirmation, representation, or warranty is made, it shall not be enforceable against Mercury Marine.

DISCLAIMERS AND LIMITATIONS:

THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED. TO THE EXTENT THAT THEY CANNOT BE DISCLAIMED, THE IMPLIED WARRANTIES ARE LIMITED IN DURATION TO THE LIFE OF THE EXPRESS WARRANTY. INCIDENTAL AND CONSEQUENTIAL DAMAGES ARE EXCLUDED FROM COVERAGE UNDER THIS WARRANTY. SOME STATES/COUNTRIES DO NOT ALLOW FOR THE DISCLAIMERS, LIMITATIONS, AND EXCLUSIONS IDENTIFIED ABOVE; AS A RESULT, THEY MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER LEGAL RIGHTS THAT VARY FROM STATE TO STATE AND COUNTRY TO COUNTRY.

Zeus Drive Intermittent Commercial Use Limited Warranty

WHAT IS COVERED

Mercury Marine warrants each new Zeus drive system, including Precision Rigged Components (Mercury branded control components) (Zeus drive system and Precision Rigged Components referred to as "Product"), to be free of defects in material and workmanship during the period described following.

DURATION OF COVERAGE

The warranty period begins on the date the Product is first sold to an intermittent commercial use retail purchaser or the date the Product is first put into service, whichever occurs first. This limited warranty provides coverage for 24 months or 2000 hours of use, whichever occurs first. The repair or replacement of parts, or the performance of service under this warranty, does not extend the life of the warranty beyond its original expiration date. Unexpired warranty coverage cannot be transferred.

INTERMITTENT COMMERCIAL RATING

Intermittent Commercial applies to variable load applications where full power is limited to two (2) hours out of every eight (8) hours of operation. Reduced power operation (out of every eight hours, the six hours in which the engine is not operated at full power) must be at or below cruise speed. Cruise speed is dependent on the engine's maximum engine rated speed (RPM):

6. ZEUS DRIVE LIMITED WARRANTY

Full Power Engine Rated Speed (Full power is defined as an RPM that exceeds cruise speed)	Cruise Speed
2300 RPM	2100 RPM
2500 RPM	2300 RPM
2800 RPM	2500 RPM
3000 RPM	2700 RPM
3200 RPM	2900 RPM
3300 RPM	3000 RPM
3400 RPM	3100 RPM

Commercial use is defined as any work or employment-related use of this Product, or any use of the Product that generates income, for any part of the warranty period, even if the Product is only occasionally used for such purposes.

Operation of the Product in excess of the intermittent commercial use specifications will void the warranty.

CONDITIONS THAT MUST BE MET TO OBTAIN WARRANTY COVERAGE

Warranty coverage is available only to retail customers who purchase the Product from a dealer authorized by Mercury Marine to distribute the Product in the country in which the sale occurred, and then only after the Mercury Marine-specified predelivery inspection process is completed and documented.

PURCHASER'S RESPONSIBILITY

Perform all regular maintenance in compliance with the schedule in the applicable Operation and Maintenance Manual. Maintain records of service and maintenance performed on the Mercury Marine products. **Mercury Marine reserves the right to make any warranty coverage contingent upon proof of proper maintenance.**

WHAT MERCURY WILL DO

Mercury Marine's sole and exclusive obligation under this warranty is limited to, at our option, repairing a defective part, replacing such part or parts with new or Mercury Marine certified remanufactured parts, or refunding the purchase price of the Mercury Marine Product. Mercury Marine reserves the right to improve or modify products from time to time without assuming an obligation to modify products previously manufactured.

6. ZEUS DRIVE LIMITED WARRANTY

This warranty covers reasonable and customary expenses related to a warranty repair, however the authorized Mercury Marine repair facility must obtain preauthorization from Mercury Marine's Service Department prior to commencing the warranty repair. In the event that the warranty repair cannot be conducted at the authorized repair facility, travel time allowance for pleasure/commercial-use is limited to 250 miles and 5 hours per warranty event. The authorized repair facility must obtain preauthorization from Mercury Marine's Service Department prior to commencing travel activities.

Upon Warranty claim submission, Mercury Marine reserves the right to request proof of maintenance ensuring recommended care is routinely performed.

HOW TO OBTAIN WARRANTY COVERAGE

Warranty claims must be made through a Mercury Marine authorized repair facility. The customer must provide Mercury Marine with a reasonable opportunity to repair and reasonable access to the Product for warranty service. The purchaser shall not, unless requested by Mercury Marine, ship the Product or parts of the Product directly to Mercury Marine.

TERMINATION OF COVERAGE

Warranty coverage may be terminated for used Product:

- Repossessed from a retail customer
- Purchased at an auction
- Purchased from a salvage yard
- Purchased from an insurance company that obtained the Product as a result of an insurance claim

Warranty coverage may also be terminated for any Product that was registered with inaccurate warranty registration information.

WHAT IS NOT COVERED

This limited warranty does not cover:

- Routine maintenance items and adjustments
- Normal wear and tear
- Faded paint
- Expenses related to towing, storage, telephone, rental, inconvenience, slip fees, insurance coverage, loan payments, loss of time, loss of income, or any other type of incidental or consequential damages
- Expenses associated with the removal or replacement of boat partitions or other material in order to gain access to the Product

This limited warranty also does not cover damage caused by any of the following:

- Abuse
- Abnormal use

6. ZEUS DRIVE LIMITED WARRANTY

- Use of a propeller or gear ratio that does not allow the engine to run in its recommended RPM range (refer to the Operation and Maintenance manual)
- Operation of the Product in a manner inconsistent with the recommended operation and duty-cycle (refer to the Operation and Maintenance manual)
- Neglect
- Accident
- Submersion (of inside boat components)
- Improper installation (proper installation specifications and techniques are set forth in the installation instructions for the Product)
- Improper service
- Use of an accessory or part that was not manufactured or sold by Mercury Marine
- Operation with oils or lubricants that are not suitable for use with the Product (refer to the Operation and Maintenance manual)
- Alteration or removal of parts
- Insufficient cooling water caused by blockage of the cooling system by a foreign body

Use of the Product for racing or other competitive activity, even by a previous owner of the Product, voids the warranty.

No individual or entity, including Mercury Marine authorized dealers, has been given authority by Mercury Marine to make any affirmation, representation, or warranty regarding the Product, other than those contained in this limited warranty. If such affirmation, representation, or warranty is made, it shall not be enforceable against Mercury Marine.

DISCLAIMERS AND LIMITATIONS:

THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED. TO THE EXTENT THAT THEY CANNOT BE DISCLAIMED, THE IMPLIED WARRANTIES ARE LIMITED IN DURATION TO THE LIFE OF THE EXPRESS WARRANTY. INCIDENTAL AND CONSEQUENTIAL DAMAGES ARE EXCLUDED FROM COVERAGE UNDER THIS WARRANTY. SOME STATES/COUNTRIES DO NOT ALLOW FOR THE DISCLAIMERS, LIMITATIONS, AND EXCLUSIONS IDENTIFIED ABOVE; AS A RESULT, THEY MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER LEGAL RIGHTS THAT VARY FROM STATE TO STATE AND COUNTRY TO COUNTRY.

6. ZEUS DRIVE LIMITED WARRANTY

Zeus Drive Limited Warranty Against Corrosion

WHAT IS COVERED

Mercury Marine warrants that each new (noncommercial use) Zeus drive system will not be rendered inoperative as a direct result of corrosion for the period of time described in the following.

DURATION OF COVERAGE

This limited corrosion warranty provides coverage for 36 months or 1500 hours of use from either the date the Product is first sold, or the date on which the Product is first put into service, whichever occurs first. The repair and replacement of parts, or the performance of service under this warranty does not extend the life of this warranty beyond its original expiration date.

Unexpired warranty coverage can be transferred to a subsequent purchaser upon proper registration of the product.

CONDITIONS THAT MUST BE MET TO OBTAIN WARRANTY COVERAGE

Warranty coverage is available only to retail customers who purchase from a dealer authorized by Mercury Marine to distribute the Product in the country in which the sale occurred, and then only after the Mercury Marine-specified pre-delivery inspection process is complete and documented. Warranty coverage becomes available upon proper registration of the Product by the authorized dealer. Corrosion prevention devices specified in the Operation and Maintenance manual must be in use on the boat, and routine maintenance (including without limitation the replacement of sacrificial anodes, use of specified lubricants, and touch-up of nicks and scratches) must be performed according to the schedule in the Operation and Maintenance manual in order to maintain warranty coverage. Mercury Marine reserves the right to make any warranty coverage contingent upon proof of proper maintenance.

WHAT MERCURY WILL DO

Mercury Marine's sole and exclusive obligation under this warranty is limited to, at our option, repairing a corroded part, replacing such part or parts with new or Mercury Marine certified remanufactured parts, or refunding the purchase price of the Mercury Marine Product. Mercury Marine reserves the right to improve or modify products from time to time without assuming an obligation to modify products previously manufactured.

6. ZEUS DRIVE LIMITED WARRANTY

HOW TO OBTAIN WARRANTY COVERAGE

The customer must provide Mercury Marine with a reasonable opportunity to repair and reasonable access to the Product for warranty service. Warranty claims shall be made by delivering the Product for inspection to a Mercury Marine dealer authorized to service the Product. If the purchaser cannot deliver the Product to such a dealer, written notice must be given to Mercury Marine. Mercury Marine will then arrange for the inspection and any covered repair. The purchaser, in that case, shall pay for all related transportation charges and/or travel time. If the service provided is not covered by this warranty, the purchaser shall pay for all related labor and material and any other expenses associated with that service. The purchaser shall not, unless requested by Mercury Marine, ship the Product or parts of the Product directly to Mercury Marine. Proof of registered ownership must be presented to the dealer at the time warranty service is requested in order to obtain coverage.

TERMINATION OF COVERAGE

Warranty coverage may be terminated for used Product:

- Repossessed from a retail customer
- Purchased at an auction
- Purchased from a salvage yard
- Purchased from an insurance company that obtained the Product as a result of an insurance claim

WHAT IS NOT COVERED

This limited warranty does not cover:

- Electrical system corrosion
- Corrosion resulting from damage
- Corrosion that causes cosmetic damage
- Damage resulting from abuse or improper service
- Corrosion to accessories, instruments, or steering systems
- Damage due to marine growth
- Product sold with less than a one year limited product warranty
- Replacement parts (parts purchased by the customer)
- Products used in a commercial application
- Corrosion damage as a result of improper paint application (refer to the Operation and Maintenance manual for acceptable paint applications)

Commercial use is defined as any work or employment-related use of the Product, or any use of the Product that generates income, for any part of the warranty period, even if the Product is only occasionally used for such purposes.

6. ZEUS DRIVE LIMITED WARRANTY

DISCLAIMERS AND LIMITATIONS:

THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED. TO THE EXTENT THAT THEY CANNOT BE DISCLAIMED, THE IMPLIED WARRANTIES ARE LIMITED IN DURATION TO THE LIFE OF THE EXPRESS WARRANTY. INCIDENTAL AND CONSEQUENTIAL DAMAGES ARE EXCLUDED FROM COVERAGE UNDER THIS WARRANTY. SOME STATES/COUNTRIES DO NOT ALLOW FOR THE DISCLAIMED, LIMITATIONS, AND EXCLUSIONS IDENTIFIED ABOVE; AS A RESULT, THEY MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER LEGAL RIGHTS THAT VARY FROM STATE TO STATE AND COUNTRY TO COUNTRY.

7. 6.7L DIESEL ENGINE WARRANTY

Warranty Registration

IMPORTANT: Registration lists must be maintained by the factory and dealer in some countries by law. It is our desire to have ALL products registered at the factory should it ever be necessary to contact you. Make sure your Mercury Marine distributor or Mercury Marine authorized dealer registers your Product with the Marine Power International Service Center for your area.

Bravo Two X Diesel Sterndrive, Transom Assembly, and Drivetrain Light-Duty Commercial Worldwide Limited Warranty

WHAT IS COVERED

Mercury Marine warrants each new drive package (Product) to be free of defects in material and workmanship during the period described in **Duration of Coverage**.

The following part assemblies and their mounting hardware are covered by this limited warranty.

- Front power take-off (PTO)
- Flexible coupling
- Flywheel cover
- Power-assisted steering pump assembly
- Steering pump pulley
- Power steering fluid reservoir
- Power steering hoses
- Transom support bearing
- Engine end shaft guard
- Shift plate assembly
- Exhaust block-off plate
- Gear lube monitor assembly
- Transom assembly
- Sterndrive assembly
- Driveshaft assembly

DURATION OF COVERAGE

The warranty period begins on the date the Product is first sold to a light-duty commercial use retail purchaser or the date that the Product is first put into service, whichever occurs first. This limited warranty provides coverage for one (1) year or 500 hours of use, whichever occurs first.

The repair or replacement of parts, or the performance of service under this warranty, does not extend the life of this warranty beyond its original expiration date. Unexpired warranty coverage cannot be transferred either to or from a commercial use customer.

7. 6.7L DIESEL ENGINE WARRANTY

LIGHT-DUTY COMMERCIAL RATING

The light-duty commercial rating applies to variable load applications where full power is limited to one (1) hour out of every eight (8) hours of operation— (12.5%). Reduced power operation (out of eight hours, the seven hours in which the engine is not operated at full power) must be at or below cruise speed. Cruise speed is dependent on the engine's maximum engine rated speed (RPM); refer to the **Full Power RPM and Cruise Rated RPM Charts**. Typical vessel applications include: sport fishing vessels, motor yachts and cruisers with any work or employment related use of the vessel or any use of the vessel that generates income, for any part of the warranty period, even if the vessel is only occasionally used for such purposes.

CONDITIONS THAT MUST BE MET TO OBTAIN WARRANTY COVERAGE

Warranty coverage is available only to retail customers who purchase from a dealer authorized by Mercury Marine to distribute the Product in the country in which the sale occurred, and then only after the Mercury Marine specified predelivery inspection process is complete and documented. Warranty coverage becomes available upon proper registration of the Product by the authorized dealer. Corrosion prevention devices specified in the Operation and Maintenance manual must be in use on the boat, and routine maintenance (including without limitation the replacement of sacrificial anodes, use of specified lubricants, and touch-up of nicks and scratches) must be performed according to the schedule in the Operation and Maintenance manual in order to maintain warranty coverage. Mercury Marine reserves the right to make warranty coverage contingent upon proof of proper maintenance.

WHAT MERCURY WILL DO

Mercury's sole and exclusive obligation under this warranty is limited to, at our option, repairing a defective part, replacing such part or parts with new or Mercury Marine certified remanufactured parts, or refunding the purchase price of the Mercury product. Mercury reserves the right to improve or modify products from time to time without assuming an obligation to modify products previously manufactured.

7. 6.7L DIESEL ENGINE WARRANTY

HOW TO OBTAIN WARRANTY COVERAGE

The customer must provide Mercury with reasonable access and opportunity to repair the Product for warranty service. Warranty claims shall be made by delivering the Product for inspection to a Mercury dealer authorized to service the Product. If the purchaser cannot deliver the Product to such a dealer, written notice must be given to Mercury. Mercury Marine will then arrange for the inspection and any covered repair. The purchaser, in that case, shall pay for all related transportation charges and/or travel time. If the service provided is not covered by this warranty, the purchaser shall pay for all related labor and material and any other expenses associated with that service. The purchaser shall not, unless requested by Mercury, ship the Product or parts of the Product directly to Mercury. Proof of registered ownership must be presented to the dealer at the time warranty service is requested in order to obtain coverage.

TERMINATION OF COVERAGE

Warranty coverage may be terminated if the Product was:

- Repossessed from a retail customer
- Purchased at an auction
- Purchased from a salvage yard
- Purchased from an insurance company that obtained the Product as a result of an insurance claim
- Registered with incorrect information

WHAT IS NOT COVERED

This limited warranty does not cover:

- Routine maintenance items or adjustments
- Normal wear and tear
- Faded paint
- Bearings with water damage as a result of improper maintenance

This limited warranty also does not cover damage caused by any of the following:

- Abuse
- Abnormal use
- Use of a propeller or gear ratio that does not allow the engine to run in its recommended RPM range
- Operating the Product in a manner inconsistent with the recommended operation and duty cycle section of the Operation and Maintenance manual
- Neglect
- Accident
- Improper installation (proper installation specifications and techniques are set forth in the installation instructions for the Product)
- Improper service

7. 6.7L DIESEL ENGINE WARRANTY

- Use of an accessory or part that was not manufactured or sold by Mercury Marine
- Use of oils or lubricants that are not suitable for use with the Product
- Alteration or removal of parts
- Running the power package without cooling water
- Mounting the sterndrive too high on the transom
- Operating the boat with the sterndrive overtrimmed
- Striking a submerged object

Use of the Product for racing or other competitive activity, or operating with a racing-type lower unit at any point, voids the warranty.

Expenses related to haul-out, launch, towing, storage, telephone, rental, inconvenience, slip fees, insurance coverage, loan payments, loss of time, loss of income, or any other type of incidental or consequential damages are not covered by this warranty. Also, expenses associated with the removal or replacement of boat partitions or other material in order to gain access to the Product are not covered by this warranty.

No individual or entity, including Mercury Marine authorized dealers, has been given authority by Mercury Marine to make any affirmation, representation, or warranty regarding the Product, other than those contained in this limited warranty. If such affirmation, representation, or warranty is made, it shall not be enforceable against Mercury Marine.

DISCLAIMERS AND LIMITATIONS

THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED. TO THE EXTENT THAT THEY CANNOT BE DISCLAIMED, THE IMPLIED WARRANTIES ARE LIMITED IN DURATION TO THE LIFE OF THE EXPRESS WARRANTY. INCIDENTAL AND CONSEQUENTIAL DAMAGES ARE EXCLUDED FROM COVERAGE UNDER THIS WARRANTY. SOME STATES/COUNTRIES DO NOT ALLOW FOR THE DISCLAIMERS, LIMITATIONS AND EXCLUSIONS IDENTIFIED ABOVE. AS A RESULT, THEY MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER LEGAL RIGHTS, WHICH MAY VARY FROM STATE TO STATE AND COUNTRY TO COUNTRY.

6.7L Commercial Diesel Engine Worldwide Limited Warranty

WHAT IS COVERED

Mercury Marine warrants each new engine package (Product) to be free of defects in material and workmanship during the period described following.

7. 6.7L DIESEL ENGINE WARRANTY

DURATION OF COVERAGE

The warranty period begins on the date the Product is first sold to a commercial use retail purchaser or the date that the Product is first put into service, whichever occurs first. This limited warranty provides coverage for the time specified in the **6.7L Commercial Rating and Warranty Duration Chart**.

The repair or replacement of parts, or the performance of service under this warranty, does not extend the life of this warranty beyond its original expiration date. Unexpired warranty coverage cannot be transferred either to or from a commercial use customer.

COMMERCIAL USE

Commercial use is defined as any work or employment related use of this Product, or any use of the Product that generates income, for any part of the warranty period, even if the Product is only occasionally used for such purposes.

CONDITIONS THAT MUST BE MET TO OBTAIN WARRANTY COVERAGE

Warranty coverage is available only to retail customers that purchase from a dealer authorized by Mercury Marine to distribute the Product in the country in which the sale occurred, and then only after the Mercury Marine specified predelivery inspection process is completed and documented. Warranty coverage becomes available upon proper registration of the Product by the authorized dealer. Routine maintenance outlined in the Operation and Maintenance manual must be timely performed in order to obtain warranty coverage. Mercury Marine reserves the right to make any warranty coverage contingent upon proof of proper maintenance.

WHAT MERCURY WILL DO

Mercury's sole and exclusive obligation under this warranty is limited to, at our option, repairing a defective part, replacing such part or parts with new or Mercury Marine certified remanufactured parts, or refunding the purchase price of the Mercury product. Mercury reserves the right to improve or modify products from time to time without assuming an obligation to modify products previously manufactured.

7. 6.7L DIESEL ENGINE WARRANTY

HOW TO OBTAIN WARRANTY COVERAGE

The customer must provide Mercury with reasonable access and opportunity to repair the Product for warranty service. Warranty claims shall be made by delivering the Product for inspection to a Mercury dealer authorized to service the Product. If the purchaser cannot deliver the Product to such a dealer, written notice must be given to Mercury. Mercury Marine will then arrange for the inspection and any covered repair. The purchaser, in that case, shall pay for all related transportation charges and/or travel time. If the service provided is not covered by this warranty, the purchaser shall pay for all related labor and material and any other expenses associated with that service. The purchaser shall not, unless requested by Mercury, ship the Product or parts of the Product directly to Mercury. Proof of registered ownership must be presented to the dealer at the time warranty service is requested in order to obtain coverage.

TERMINATION OF COVERAGE

Warranty coverage may be terminated if the Product was:

- Repossessed from a retail customer
- Purchased at an auction
- Purchased from a salvage yard
- Purchased from an insurance company that obtained the Product as a result of an insurance claim
- Registered with incorrect information

WHAT IS NOT COVERED

This limited warranty does not cover:

- Routine maintenance items
- Adjustments
- Normal wear and tear
- Faded paint

This limited warranty also does not cover damage caused by any of the following:

- Abuse
- Abnormal use
- Use of a propeller or gear ratio that does not allow the engine to run in its recommended RPM range
- Operating the Product in a manner inconsistent with the recommended operation and duty cycle section of the Operation and Maintenance manual
- Neglect
- Accident
- Submersion
- Improper installation (proper installation specifications and techniques are set forth in the installation instructions for the Product)

7. 6.7L DIESEL ENGINE WARRANTY

- Improper service
- Use of an accessory or part not manufactured or sold by Mercury Marine
- Jet pump impellers and liners
- Use of fuels, oils, or lubricants that are not suitable for use with the Product
- Alteration or removal of parts
- Water entering the engine through the fuel intake, air intake, or exhaust system or damage to the Product from insufficient cooling water caused by blockage of the cooling system by a foreign body
- Running the engine without sufficient supply of cooling water
- Mounting the engine too high on the transom
- Operating the boat with the engine/drive overtrimmed
- Striking a submerged object

Use of the Product for racing or other competitive activity, or operating with a racing-type lower unit at any point, voids the warranty.

Expenses related to haul-out, launch, towing, storage, telephone, rental, inconvenience, slip fees, insurance coverage, loan payments, loss of time, loss of income, or any other type of incidental or consequential damages are not covered by this warranty. Also, expenses associated with the removal or replacement of boat partitions or other material in order to gain access to the Product are not covered by this warranty.

No individual or entity, including Mercury Marine authorized dealers, has been given authority by Mercury Marine to make any affirmation, representation, or warranty regarding the Product, other than those contained in this limited warranty. If such affirmation, representation, or warranty is made, it shall not be enforceable against Mercury Marine.

DISCLAIMERS AND LIMITATIONS

THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED. TO THE EXTENT THAT THEY CANNOT BE DISCLAIMED, THE IMPLIED WARRANTIES ARE LIMITED IN DURATION TO THE LIFE OF THE EXPRESS WARRANTY. INCIDENTAL AND CONSEQUENTIAL DAMAGES ARE EXCLUDED FROM COVERAGE UNDER THIS WARRANTY. SOME STATES/COUNTRIES DO NOT ALLOW FOR THE DISCLAIMERS, LIMITATIONS AND EXCLUSIONS IDENTIFIED ABOVE. AS A RESULT, THEY MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER LEGAL RIGHTS, WHICH MAY VARY FROM STATE TO STATE AND COUNTRY TO COUNTRY.

6.7L Commercial Diesel Engine Duty-Cycle Application Definitions

Applies to variable load applications where full power is limited during a specified number of hours used. Reduced power operation (the amount of hours in which the engine is not operated at full power) must be at or below cruise speed. Cruise speed is dependent on the engine's maximum engine rated speed (RPM).

MEDIUM CONTINUOUS DUTY

Applies to variable load applications where full power is limited to four (4) hours out of every eight (8) hours of operation—(50%). Reduced power operation (the other 4 out of 8 hours which the engine is not operated at full power) must be at or below cruise speed. Cruise speed is dependent on the engine's maximum engine rated speed (RPM). Typical vessel applications include: planing hull ferries, fishing boats designed for high speeds to and from fishing grounds, (noncargo) displacement hull yachts, and short trip coastal freighters where engine load and speed are cyclical.

7. 6.7L DIESEL ENGINE WARRANTY

INTERMITTENT DUTY

Applies to variable load applications where full power is limited to two (2) hours out of every eight (8) hours of operation—(25%). Reduced power operation (the 6 out of 8 hours which the engine is not operated at full power) must be at or below cruise speed. Cruise speed is dependent on the engine's maximum engine rated speed (RPM). Typical vessel applications include: planing hulls such as customs, military and police vessels, charter fishing and nonnet dragging fishing vessels.

LIGHT DUTY

Applies to variable load applications where full power is limited to one (1) hour out of every eight (8) hours of operation—(12.5%). Reduced power operation (the 7 out of 8 hours which the engine is not operated at full power) must be at or below cruise speed. Cruise speed is dependent on the engine's maximum engine rated speed (RPM). Typical vessel applications include: sport fishing vessels, motor yachts and cruisers with any work or employment related use of the vessel or any use of the vessel that generates income, for any part of the warranty period, even if the vessel is only occasionally used for such purposes.

FULL POWER RPM AND CRUISE RATED RPM CHARTS

The hours listed in each row in the following charts are accumulative for every (8) eight hours of operation.

Inboard Models

Inboard Model	Hours at Full Power RPM	Full Power RPM	Hours at Cruise Rated RPM	Cruise Rated RPM
208.8 kW (280 hp)	One (1)	2800	Seven (7)	2500
193.9 kW (260 hp)

Commercial 1-Year Limited Warranty Against Corrosion

WHAT IS COVERED

Mercury Marine warrants that each new commercial use engine/drive package (Product) will not be rendered inoperative as a direct result of corrosion for the period of time described in the following:

DURATION OF COVERAGE

This limited corrosion warranty provides coverage for one (1) year from either the date the product is first sold, or the date that the product is first put into service, whichever occurs first. The repair and replacement of parts, or the performance of service under this warranty does not extend the life of this warranty beyond its original expiration date. Unexpired warranty coverage cannot be transferred. Warranty coverage may be terminated for used product repossessed from a retail customer, purchased at an auction, from a salvage yard, or from an insurance company that obtained the product as a result of an insurance claim.

7. 6.7L DIESEL ENGINE WARRANTY

CONDITIONS THAT MUST BE MET TO OBTAIN WARRANTY COVERAGE

Warranty coverage is available only to retail customers who purchase from a dealer authorized by Mercury Marine to distribute the Product in the country in which the sale occurred, and then only after the Mercury Marine specified predelivery inspection process is complete and documented. Warranty coverage becomes available upon proper registration of the Product by the authorized dealer. Corrosion prevention devices specified in the Operation and Maintenance manual must be in use on the boat, and routine maintenance (including without limitation the replacement of sacrificial anodes, use of specified lubricants, and touch-up of nicks and scratches) must be performed according to the schedule in the Operation and Maintenance manual in order to maintain warranty coverage. Mercury Marine reserves the right to make warranty coverage contingent upon proof of proper maintenance.

WHAT MERCURY WILL DO

Mercury's sole and exclusive obligation under this warranty is limited to, at our option, repairing a corroded part, replacing such part or parts with new or Mercury Marine certified remanufactured parts, or refunding the purchase price of the Mercury Product. Mercury reserves the right to improve or modify products from time to time without assuming an obligation to modify products previously manufactured.

HOW TO OBTAIN WARRANTY COVERAGE

The customer must provide Mercury with reasonable access and opportunity to repair the Product for warranty service. Warranty claims shall be made by delivering the Product for inspection to a Mercury dealer authorized to service the Product. If the purchaser cannot deliver the Product to such a dealer, written notice must be given to Mercury. Mercury Marine will then arrange for the inspection and any covered repair. The purchaser, in that case, shall pay for all related transportation charges and/or travel time. If the service provided is not covered by this warranty, the purchaser shall pay for all related labor and material and any other expenses associated with that service. The purchaser shall not, unless requested by Mercury, ship the Product or parts of the Product directly to Mercury. Proof of registered ownership must be presented to the dealer at the time warranty service is requested in order to obtain coverage.

WHAT IS NOT COVERED

This limited warranty does not cover:

- Electrical system corrosion
- Corrosion resulting from damage
- Corrosion that causes cosmetic damage
- Damage resulting from abuse or improper service
- Corrosion to accessories, instruments, or steering systems
- Damage due to marine growth
- Product sold with less than a one year limited Product warranty

7. 6.7L DIESEL ENGINE WARRANTY

- Replacement parts (parts purchased by the customer)

DISCLAIMERS AND LIMITATIONS

THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED. TO THE EXTENT THAT THEY CANNOT BE DISCLAIMED, THE IMPLIED WARRANTIES ARE LIMITED IN DURATION TO THE LIFE OF THE EXPRESS WARRANTY. INCIDENTAL AND CONSEQUENTIAL DAMAGES ARE EXCLUDED FROM COVERAGE UNDER THIS WARRANTY. SOME STATES/COUNTRIES DO NOT ALLOW FOR THE DISCLAIMERS, LIMITATIONS AND EXCLUSIONS IDENTIFIED ABOVE. AS A RESULT, THEY MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER LEGAL RIGHTS WHICH VARY FROM STATE TO STATE AND COUNTRY TO COUNTRY.

Annex 1.C—Noise Emissions	See Declaration of Conformity of the craft in which the engine(s) has (have) been installed			

This declaration of conformity is issued under the sole responsibility of the manufacturer. I declare on behalf of the engine manufacturer that the engine(s) will meet the exhaust emission requirements of Directive 2013/53/EU when installed in a recreational craft, in accordance with the engine manufacturer's supplied instructions and that this (these) engine(s) must not be put into service until the recreational craft into which it is (they are) to be installed has been declared in conformity with the relevant provisions of the above mentioned Directives.
